PREVAILING WAGE SEMINAR – Part 1

Thursday, April 29, 2010
11:00am to 2:00pm

Our experienced panel will cover topics such as:

- Which projects are covered by prevailing wage?
- Strategies for compliance and limiting liability.
- Apprenticeship obligations on California Public Works Projects.
- How to read a determination letter.
- How to utilize the required fringe benefits to save payroll taxes & workers compensation expense.
- How to properly set-up accounting systems for overtime/double time.
- Annualization of fringe benefit expenses taken as credits against the total hourly rate.
- How to deal with “pre-determined increases” in the required rates.
- Examples of annualization premium pay calculations & payroll tax savings based on certain assumptions.

In addition Mr. Jack Abel will talk about the new Compliance & Monitoring Unit that the Dept of Labor Standards Enforcement (DLSE) is currently developing (to be in place later this year) and its effects on awarding agencies & contractors.

Seminar will be held at ABC. Lunch will be provided.

Part 2 will be on fringe benefits – dates to be determined.
